**C**lintonville Arts Guild meets at 7:15 PM on the 4th Monday of every month, from October through June, at the Whetstone Community Center, 3923 North High Street, Columbus North High Street, Columbus, Ohio. Meetings consist of a wide variety of programs, including speakers and demonstrations on various aspects of artistic expression.

## Our Presidents' Message

Hello all,

The next Guild meeting will be Monday, January 23 at 7:15 P.M.

Our speaker is Paul Volker, who grew up in Clintonville and for over 30 years pursued a number of art related careers. He owned a gallery, worked as a cartoonist and graphic artist and now is focused on painting. He claims to be Central Ohio's best selling artist. To get a better idea of Paul's work visit [www.volkerworld.com](http://www.volkerworld.com).

Sounds like a good meeting.

In case you didn't receive the email from Tom Baillieul; On the evening of February 11th, The Cultural Arts Center opens its doors to recognize Columbus' artists as part of the city's Bicentennial. For two centuries, the arts have been, are, and continue to be an essential component of the quality of life in our community. If you are an artist, or a patron of the arts, let us thank you for your contributions. **Join Columbus' arts community for a gala evening in celebration of the importance of the arts in our city's life.**

Hope to see you all on the 23<sup>rd</sup>.

Mike and Sue

## Treasurer's Report

Our guild checking account balance as of January 19, 2012, is \$1,855.02. The last bank activity was to deposit \$15.00 in dues.

We have two FDIC insured certificates of deposit valued at \$1,895.01 and \$791.76 for a total of \$2,686.77 in CDs. Our CDs have been re-invested in US Bank for four years at a four percent rate. They will mature in early 2014.

We no longer have a savings account because our bank was charging \$10.00 per month so those funds were transferred into certificates of deposit.

### Next Meeting

Our speaker is Paul Volker, a Clintonville artist who has made it. He will help us explore his wonderful, wacky art world.
